Profile

I am Web Developer with 1 year of experience in front-end development, specializing in creating responsive and user-friendly web applications. Proficient in modern JavaScript frameworks, particularly ReactJS, and adept in using Tailwind CSS and Bootstrap for streamlined UI design. Strong problem-solving skills combined with effective communication abilities that foster collaboration and deliver high-quality digital solutions.

Work Experience

Web Developer

2023 mar – apr 2024

RamojiFilm city – hyderabad

- Designed, developed, and maintained multiple web applications using ReactJS, ensuring responsive and visually appealing user experiences.
- Collaborated with cross-functional teams to translate project requirements into functional web solutions, enhancing user engagement by over 20%.
- Implemented best practices for front-end development, optimizing page load times by 30% through effective use of Tailwind CSS and Bootstrap.
- Utilized GitHub for version control, managing project collaboration and ensuring seamless integration of components.
